The Supreme Council was called off and a Lodge of Perfection 14° declared open. Many brethren of the Rite who had been in waiting were then admitted to the chamber.

The Sovereign Grand Commander then delivered his Annual address as follows:

Dear Brethren:—

It was a matter of surprise and sincere regret when at the last annual meeting of Supreme Council the Sov. Gr. Commander, Ill. Bro. J. Alex. Cameron 33° was obliged to decline re-election for the ensuing term of three years. We all had had so much reason to be thoroughly satisfied and gratified by the able and efficient manner in which the duties and the general functions of his office had been discharged by him that there was no thought of any other course than his unanimous re-election for another term of three years. However, it was quite apparent that the duties of the position added to the discharge of his ordinary avocations had been in his state of health and physical condition very trying and that a rest from the overload of responsibility was being insisted upon by him not without good reason. Joining in this view it seemed to me that while Supreme Council should regretfully acquiesce, an excellent opportunity would be afforded for honouring a distinguished brother who is the oldest member of the Scottish Rite in the Dominion of Canada or perhaps I might be justified in saying in the Scottish Rite world. I refer to our past Lieut. Grand Commander, Ill. Bro. Hugh A. Mackay 33°, who for so many years was the Grand Treasurer of this Council and who has been so closely and prominently connected with the Scottish Rite from its first introduction in Canada, and so eminently a wise and safe counsellor in our deliberations during the entire history of this Council. Reasons, however, for declining this promotion prevailed with our Ill. Brother after it was thought that he could be prevailed upon to accept—and it was under these circumstances that pressure was brought to bear upon me to resume the responsibilities of the office of your Grand Commander which I had already had nine years experience of and from which I considered myself permanently relieved. I accepted the resumption of Grand Commander's duties for a year only and it was hoped and expected that then after a year's freedom from duty our temporarily retiring Grand Commander would be able and willing and ready to undertake and enter upon a second term of three years' official duty as the head of the Rite in Canada.

As "*locum tenens*" during the past year I am afraid it will not be possible for me to entertain or interest you by relating details of visitations throughout the jurisdiction, for, I regret to say, these have been comparatively few and so far as regards receptions with usually very special efforts being put forth to honour the Grand Commander of the Rite it may be said that it has been a comparatively restful year. Very cordial invitations to London, Ottawa, Sarnia, Barrie and several other places including Sault Ste Marie and various bodies in the western Provinces some of which I made an effort to take advantage of but for reasons which it is useless to set forth in detail I was unable to do so being time after time most unfortunate in that respect. In the case of the Ottawa Re-Union in March last the Brethren were favored by the presence of our Ill.' Bro.' Buchanan of Pittsburgh, who, at the banquet given, delivered a very thoughtful and interesting address on the influence of Scottish Rite Freemasonry. For many years the work of the Ottawa bodies has been extremely satisfactory and it was not surprising to me to observe that the distinguished visitor in his congratulations had remarked to the class that 'if they lived to the age of Methusalah in his judgment it would never be their privilege to see the degrees more impressively conferred.' A compliment, coming from a brother so familiar with the degrees of the Rite, I am sure the Ottawa brethren greatly appreciated.

It has been my good fortune to visit the bodies of the Rite in Toronto and to thoroughly admire and enjoy the work of our brethren in that city. Increase in numbers of members and corresponding increasing efficiency and effectiveness in the work done have characterized the Rite in Toronto and we may with confidence rely on the advantages to the Rite generally of so important a City being represented by so large and high class a membership.

Hamilton Scottish Rite Temple

A special meeting of Supreme Council was held at Hamilton on 7th May last for the purpose of authorizing and participating in the proceedings connected with the dedication and opening of the new Scottish Rite Temple in that City. The Minutes of that Special Meeting will be

submitted to you. The occasion was of very exceptional interest and importance and afforded unmistakable proof of the great advance which has been taking place in the Province of Ontario. After the formal dedication had been performed, Moore Sovereign Consistory assembled and proceeded to the formal establishment of the Consistory and the Hamilton bodies of the Rite in the new quarters. The conferring of Degrees of the Rite by the Consistory the Hamilton Chapter of Rose Croix and Murton Lodge of Perfection was proceeded with and continued till toward the end of the week. Doubtless the Ill. Bro. Deputy for Ontario will have further information connected with this important event in his territorial jurisdiction and I have not therefore gone more fully into details. However, it must be stated that the ceremony of opening was rendered so much more interesting than a mere formality by a most excellent speech delivered on the occasion by our Ill. Bro. Buchanan 33°, who is a member of the Hamilton bodies and is himself an old Hamilton boy belonging to a most distinguished and prominent family in that city. The establishment of the new Scottish Rite home in the City of Hamilton marks an era in the history of the order. My recollection of the early meetings of the Rite, well over half a century ago, when the late Ill. Bro. John W. Murton 33°, one of our past Sov. Grand Commanders, devoted so much time and persevering energy in his determined efforts to establish in Canada the bodies of the Rite on an active and permanent footing, recalls meetings of very limited numbers of brethren in closely confined quarters in the reverse of a magnificent building. It also recalls, however, the fact that even in these elementary beginnings our late Illustrious Brother was persistent in insisting upon and carrying out fully the details of the degrees with all the necessary equipment however simple and the reverse of magnificent they may have been.

By-Laws

There has been considerable correspondence during the year regarding by-laws and amendments of by-laws submitted for my approval. It is frequently the case that by-laws embody clauses that are part of the General Statutes or Regulations and the application of which is not made more binding by being inserted in the by-laws; but it is not infrequently the case that some of the General

provisions thus embodied as part of the by-laws are in the course of such adoption subjected to an amending process on the part of the Lodge or Chapter as the case may be and difficulties and delay have in some instances arisen in connection with the confirmation necessary before such by-laws could take effect.

By-Laws Ottawa Lodge of Perfection and Murray Chapter of Rose Croix were approved by me in January last.

Amendments of by-laws of the Halifax bodies were approved by me in February last.

Amendments of by-laws of Vancouver bodies were approved by me in February last.

Amendments of by-laws of Kingston bodies were approved by me in March last.

Amendments of by-laws of Brandon bodies were approved by me in April last.

Amendments of by-laws of Windsor bodies were approved by me in May last.

NEW BODIES DISPENSATIONS

Calgary

In January last I granted a dispensation for the opening of a Chapter of Rose Croix at Calgary to be known as Delta Chapter and I am fully of the opinion that the progress of the Rite in that progressive City fully justified that action.

Brandon

A year ago the Deputy for Manitoba recommended that a Charter for a Lodge of Perfection be granted and in February last I granted the necessary warrant for the issue thereof.

Peterborough

In March last I granted a dispensation for the opening of a Lodge of Perfection at Peterborough believing that there could be no doubt about the future success of a body established in that City.

Niagara

In June last I granted a dispensation for a Lodge of Perfection at Niagara to be called Elgin Lodge and I have been given to understand that there is excellent prospect for a strong body of the Rite at a point so near the boundary on the other side of which the Rite has been in so progressive and flourishing a condition.

Moose Jaw

In January last I authorized the warrant for the issue of a Charter for Moose Jaw Lodge of Perfection, the progress made by the Lodge under dispensation seeming to fully warrant that action.

Saskatchewan Consistory

In January last I directed the issue of a warrant of constitution of the Consistory of Saskatchewan. There are ample grounds for expectation of a good future for the Rite in that Province.

General Progress

Having had the opportunity of glancing at the returns which have within the last few days been coming in I have been gratified by the evidence shown of the onward and steady progress made during the year. In some instances of which the Barrie bodies may be used as an illustration there have been exceptionally large increases, but even in the somewhat steady going and conservative East the results of the year's work show healthy life and activity.

Our resources have steadily grown. In the early years of our existence when income was somewhat trifling in amount there was a disposition, I might say determination always to have a surplus and it has been by reason of and following this frugal economical policy that Supreme Council at the present time has a fixed fund in reserve, the income from which has begun to be quite a respectable item in our revenues. Let me, brethren, urge the continuation of this policy. We have in some ways been adding to our normal expenditure and I do not propose to criticize any action already taken but the best interests of this Supreme Council and at the same time of the

Rite in general will be served by such a wise and careful administration of our resources as will ensure a strong and perpetual financial foundation. Supreme Council has very absolute powers, without responsibility in any direction. Let us justify the possession of this uncontrolled authority by persevering in a course that will produce strength and at the same time be a subject of admiration and gratitude on the part of those who will follow us as the leaders of Scottish Rite Masonry in this jurisdiction.

OBITUARIES

Ill. Bro. Hon. William Henry Thorne 33°

During the past year Supreme Council lost one of its oldest and most prominent members when Ill. Bro. Hon. William Henry Thorne 33°, passed away on Tuesday, 8th July, 1923. He was for many years one of the most prominent business men of St. John and one of the first, best known, and most respected citizens. He was born in St. John on 1st September, 1844, his parents, both Canadians being of Imperial Loyalist descent. Prominent as a hardware merchant he was interested and took part in the control and management of many financial and manufacturing corporations.

Politically a strong and conspicuous conservative it may be said that his special qualities and likeable disposition made him almost equally popular with both political parties. He became a Dominion Senator in 1913, continuing a member of that branch of Parliament till his death.

He was President of the Board of Trade for two years, served as a Lieutenant in Thurgars Rifle Brigade, retiring therefrom with rank of Captain. He was a member of numerous social clubs in St. John, Montreal and Ottawa.

He joined the Masonic order and became a member of Albion Lodge No. 1 on 4th April 1867 continuing in good standing till his death. It is not very clear when he first became a member of the Rite but he probably received his degrees from the Supreme Council of England and Wales in 1868, afterwards organizing a Chapter or Consistory under that parental jurisdiction. His record as a

member of his Consistory is a long one and he was an office bearer during the greater part of this period of membership. As Lieut. Grand Commander of this Supreme Council from 1904 till 1912, when he resigned that position it was expected that he would accept promotion to the Grand Commander's office, but he refused to entertain the suggestion being unwilling, as I thought, to undertake any ritualistic responsibility. We all had an affectionate fraternal regard for him. His enjoyment of our meetings was evident and each and all of us look back upon our association and intimacy with him as always most pleasing and agreeable.

Ill.°. Bro.°. Roderick MacNeill 33°

Reference was briefly made by my predecessor in his annual address to Illustrious Brother Roderick MacNeill 33°, which took place on the 17th of October last just before the meeting of Supreme Council. The following statements regarding our deceased brother's record are supplementary:

Bro.°. MacNeill was born on 20th February at Whycomoh, Cape Breton, where he spent his boyhood days.

He received his education in the semi-public schools and at the Free Church Academy at Halifax; he then took up the work of school teaching, attended the Normal School at Truro and continued in this work until 1865, when he went to New York City and entered the Bellevue Hospital Medical College. Subsequently he became a student of medicine in the University of Pennsylvania and received his Doctor's degree in due course.

Dr. MacNeill practised his profession at Stanley Bridge, Prince Edward Island until the year 1900 when he removed to Charlottetown to continue his work. He took an active part in public affairs; served as coroner, health officer, Justice of the Peace, Commissioner for taking affidavits in the Supreme Court and for taking acknowledgments of deeds and as President of the Liberal-Conservative party for the Province of Prince Edward Island.

Bro. MacNeill entered Freemasonry in July 1863, was W.°. M.°. in 1885, Senior Grand Warden in 1887, Deputy Grand Master in 1892 and M.°. W.°. Grand Master in 1895.

He received the Royal Arch in November 1887 and was elected M.°. E.°. High Priest in 1891.

As a Knight Templar he received the orders November 1895 and became the First Presiding Preceptor of Prince Edward Preceptory. He was a member of the Cryptic Rite and the first Thrice Illustrious Master of Kensington Council.

Ill.°. Bro.°. MacNeill was most enthusiastic in his work in connection with the Scottish Rite. He received his degrees 4th to 32nd in the Bodies at Saint John in 1896, and was admitted as an Honorary Inspector-General in Supreme Council in October 1897 and crowned an Active Member in October, 1898.

It was largely due to his efforts and those of the late Ill.°. Bro.°. Dr. Darrach that the Bodies of the Rite were established in Prince Edward Island and he was a charter member of each of them.

He was elected Deputy of the Supreme Council for his Province in October 1898 and held that office continuously till 1910, when failing health forced him to ask to be relieved.

A man of high character, a Mason whose every day life was guided by the principles of our Order and one who held his course true to the pole-star of loftiest duty.

Ill.°. Bro.°. George Samuel May 33°

Illustrious Brother George Samuel May 33° passed away 29th December, 1922.

He was a man of sterling character, amiable disposition and pleasing manner.

He was the head of the firm of George May and Sons, Ottawa, and was a director of a number of companies. He, at one time, was elected President of the Federated Boards of Trade of Canada. He served his City as member and chairman of the Board of Education and for one term in the Legislative Assembly of Ontario.

Initiated in Dalhousie Lodge, Ottawa 1888 he subsequently passed through the chairs.

A charter member of Ottawa Lodge of Perfection 1889 and of Murray Chapter of Rose Croix 1891, he soon afterwards received the degrees 19° 32° in Moore Consistory. He served as Secretary of the Lodge of Perfection and a Registrar of the Rose Croix Chapter for some years. He was a member of Carleton Chapter R. A. M. and was received into the Royal Order of Scotland in 1906.

He was enrolled as Honorary member of the Supreme Council in 1913, and was a regular attendant at our sessions. Probably his chief service to Masonry was in the Grand Lodge when he was, for some time, Chairman of the Committee of Audit and Finance, a position in which his business ability made him a valued officer.

He was a lover of clean sport and his death came unexpectedly while, with a number of friends, he was engaged in his favorite pastime, curling.

We have lost a genial companion, a good man and a true Mason.

Haileybury and Vicinity Relief

At our last annual meeting it was resolved that the sum of One Thousand Dollars should be appropriated to the relief of those who had suffered by the terrible forest fires that had been taking place at and in the vicinity of Haileybury, the distribution being placed under the direction of the Sovereign Grand Commander. The assumption of this duty necessitated a very considerable amount of correspondence but I am pleased to be able to state that effect was given to the wishes of Supreme Council with reasonable promptness and that the distribution of this grant was carried out in a manner that would be satisfactory to every member of the Council. Between 115 and 120 brethren in five lodges had lost their houses and everything else. A Masonic Relief Committee representative of the lodges in the District affected by the fire namely Cobalt, Haileybury and Englehart, had been organized to handle all relief through one central committee, avoiding duplication and the appointment of several local committees. Ill.'. Bro.'. Neil J. McAuley 32°, was chairman of this committee and to him, mainly, Supreme Council is indebted for the careful manner in which the fund was administered. I am sure Ill.'. Bro.'. Ebbitt 32° of Iroquois Falls and Duff 33°, of Barrie with whom I had correspondence regarding the distribution will bear me out in what I have stated.

Prince Edward Island

The condition of the Rite in Prince Edward Island for some years past was fully gone into and explained by my predecessor and it is unnecessary that I should do more than inform Supreme Council that during the past year there has been practically no change in the situation. Even the Lodge of Perfection has been almost, if not absolutely, dormant. Among our brethren on the Island there appears to be a want of the necessary enthusiasm and determination to make a fresh start putting the Lodge of Perfection in the way of becoming a well organized and really active body of the Rite. It cannot be that among those who have received degrees in that fine little Province, there is an entire absence of the spirit and energy necessary for the maintenance and prosperity of a good healthy and progressive Lodge of Perfection. Indeed my information is to the effect that among the brotherhood of the Rite there is a desire to improve matters and to have the Lodge wake up and become what it should be, a body of the Rite on a sound and prosperous footing. I recommend that the Edict of Suspension of the Chapter issued by my predecessor be continued until the next annual meeting and I am sure it is the earnest desire of this Council that our brethren in Prince Edward Island shall in the meantime concentrate their energies on the maintenance of the Lodge on a sound, active, healthy and progressive basis.

Religion and Politics

In these days when there appears to be a welcome tendency on the part of Masons to go higher in the pursuit of Masonic teaching and study, the members joining the Scottish Rite in the American jurisdiction and our own being manifestly away in advance of annual increases which had been customary, there is need for special caution and care. Motives in joining the Rite may be praiseworthy and unquestionable, but crowding of membership makes difficult and almost impossible that close touch or fraternal intimacy of relationship which formerly with fewer members, was always apparent. There is also greater danger of combinations as organizations for the purpose of influencing the decisions of questions quite outside the sphere of Masonry.

This subject has been under the careful consideration of the Committee on Jurisprudence of our neighbors, the Northern Supreme Council, whose report adopted by the Supreme Council embodies a statement of principles, so clearly and able presented, that I feel justified in setting it forth in this address so that our membership have the full benefit thereof, if, as I recommend, we approve and adopt these principles. The following is the report:

“We have given the matter careful consideration and
“are of the opinion that in view of the many efforts now
“being made to involve Freemasonry in controversies,
“both of a religious and a political nature, that the time has
“come when this Supreme Council should declare its posi-
“tion as a guide to its representatives and the subordinate
“bodies of its jurisdiction. We, therefore, recommend the
“adoption of the following statement of principles:

“This Supreme Council affirms its unswerving loyalty
“to the fundamental purpose and principles of Free-
masonry.

“It understands that purpose to be the improvement
“and strengthening of the character of the individual man,
“and through the individual of the community.

“It believes that this purpose is to be attained by
“laying a broad basis of principle upon which men of
“every race, country, sect, and opinion may unite, rather
“than by setting up a restricted platform upon which only
“those of certain races, certain views and opinions can
“assemble.

“Believing that good and wise men can be trusted to
“act well and wisely, it considers it the duty of the
“Fraternity to impress upon its members the principles of
“personal righteousness and personal responsibility, to en-
“lighten them as to those things which make for human
“welfare, and to inspire them with that feeling of charity,
“or well-wishing, toward all mankind which will move
“them to translate principle and conviction into action.

“To that end, it teaches and stands for the worship
“of God, for truth and justice, liberty and enlightenment,
“fraternity and philanthropy.

“It believes in principles rather than programs.
“Principles unite men; programs divide them. Men may
“agree on principles without agreeing upon their particu-
“lar application to some specific problem.

“Nothing can be more important than the preserva-
“tion of the essential and permanent sympathy and unity
“of purpose of those who are unable to agree as to the
“wisest action under special and temporary conditions.

“It is of the essence of Freemasonry that this unity
“be preserved.

“Believing this, this Supreme Council affirms its con-
“tinued adherence to that ancient and approved rule of
“Freemasonry in America which forbids the discussion
“within tyled doors of creeds, politics, or other topics apt
“to excite personal animosities.

“It further affirms its conviction that it is not only
“contrary to the fundamental principles of Freemasonry,
“but exceedingly dangerous to the unity, strength, use-
“fulness and welfare of the Order for Masonic Bodies in
“their official capacity to take formal action or attempt
“to exercise pressure or influence for or against any par-
“ticular legislative project or proposal, or in any way to
“attempt to influence magistrates and officials, whether
“or not members of the Fraternity, in the performance of
“their official duties.”

Foreign Relations

Under the heading of Foreign Relations it seems almost unnatural to classify our Mother Supreme Council of England or the other Supreme Councils of Scotland and Ireland. We surely belong to the same family, speak the same language, and form part of the same Imperial Jurisdiction. Nor does the word “Foreign” seem to be appropriately applicable to our relations with the Supreme Councils of the Northern and Southern Jurisdictions in both cases territorially speaking separated from us by a merely imaginary line. Though we have our respective boundary limits and entirely separate and distinct organizations, having our right to pursue our own policies, we are practically all in the same family. During the past

few years the growth of the Rite in the U. S. Jurisdictions has been phenomenal. Indeed, the membership of the northern jurisdiction is as regards members said to be away in excess of the combined membership of all other existing Supreme Councils and in very large centres the idea seems to be that in order to complete Masonic Education the degrees of the Scottish Rite must be embraced. As years pass by the responsibility of the Grand Commander and his executive increases, their labors become more intensively exacting and the conviction more general and complete that great good is being accomplished.

My inability to be present at the recent meeting of the Northern Supreme Council in New York caused me very deep disappointment. My attendances as an Honorary Member of their Council has been very regular for many years and as the present Grand Commander here there was a very strong reason why I should desire to be this Council's representative at their annual meeting. I am, however, very pleased to be able to state that we were well and most ably and acceptably represented by our Ill.'. Past Grand Commander Cameron and our Lieut. Grand Com.'. Webster, Ill.'. Bro.'. Riggs, Ill.'. Bro.'. McKnight and Ill.'. Bro.'. Glanville.

The Biennial meeting of the Southern Supreme Council takes place either simultaneously with our own or during the week immediately preceding and though I had intended to visit Washington and represent Canada at the meeting which has just been held I regretfully found myself unable to do so.

.. Italy

It is very regretful that the conditions of the Rite in Italy should be, as apparently is the case, quite the reverse of harmonious and satisfactory. For many years an absence of singleness in that country of a Supreme Council possessing the complete allegiance of the Rite generally was attended with strife and general unsatisfactory conditions. During my previous term of office as Commander I endeavored to familiarize myself with the situation and in my addresses advised our Supreme Council to the best of my ability as to the course we should adopt in connection with the recognition of the Council which seemed to me entitled to such recognition, and it was quite gratify-

ing to me in reading the narration of details of the visit of the representatives of the American Supreme Councils to Italy two years ago after the meeting of Supreme Councils had taken place at Lausanne to observe that there seemed to be no limit to the fraternal greetings and hospitality extended by the Italian brethren to the members of the visiting delegations and on the whole I thought I was justified in concluding that now surely all is peace and harmony in that jurisdiction. Unfortunately it appears that at present an entirely different condition exists. From communications received it is quite evident that events are now pending which may result in an entirely new situation as regards not only Scottish Rite Masonry, but Masonry generally in that country. Though we have been urged to withdraw our recognition I am of the opinion that we should at present take no action but await the result of steps and proceedings now going on of the greatest importance and, which are fraught with possibilities of changes of a most important nature.

Elsewhere in Europe

There are in certain other countries in Europe bodies of the Rite asking for recognition and interchanges of representatives, but the general after war conditions have been so fraught with confusion and so marked by absence of a normal and peace time atmosphere that hastening slowly seems the wise policy. In one case, that of Roumania, my disposition would be towards recognition, while we have in other cases the strongly worded advice to withhold recognition. Probably the safest course to adopt is to "mark time" while the Supreme Councils of our Mother Country and of the Northern and Southern Jurisdictions of the United States are giving these same matters their careful consideration before taking any definite action.

Conclusion

And now brethren having very imperfectly drawn your attention to some of the events that have been taking place during the past year and to the condition of the Rite in our jurisdiction I must conclude this address.

In a general way we have abundant reason for satisfaction with the year's record and the outlook for the future. While it may be the case that in the easterly part

of our territory there has not been evident very remarkable progress, there has been good progress and the western Provinces afford the strongest reason for confidence that the Rite as years pass by will become more and more firmly established in that portion of the Dominion. We cannot read the reports from British Columbia, Alberta, Saskatchewan and Manitoba and take into consideration the enormous development and progress going on and practically certain to continue without feeling justified in the most confident anticipation of the future.

But while material prosperity is desirable and gratifying, my brethren, we must always bear in mind that organizations and the time and money expended in creating, managing and conducting them are useless and worthless unless the lessons taught and the principles promoted throughout the degrees of the Rite are not only adopted but more fully put into practical experience in our daily life and conduct. Our teachings are very direct in their personal application. These teachings are not only consistent with, but strongly promotive of the principles and practice of true religion and we believe that with God's blessing the Scottish Rite has in the past and will in the future justify its existence and labors in accomplishing good results by benefiting humanity.

J. M. GIBSON 33°

Sovereign Grand Commander

The Lodge of Perfection 14° was then closed and the Supreme Council resumed labour in General Session.

On motion of Ill.°. Bro.°. Cameron, seconded by Ill.°. Bro.°. Malone it was resolved that the address of the Sovereign Grand Commander be referred to a Special Committee to be named by him.

The Sovereign Grand Commander named Ill.°. Bros.°. Malone, Cameron and Davis as the Special Committee on the Address.

The Annual Reports of the Secretary General and the Treasurer General were then presented and read as follows:

To the Supreme Council A. . and A. . Scottish Rite for the Dominion of Canada.

Reports of Deputies

The following reports of the Deputies of the Supreme Council for the different Provinces were then read:

To the Supreme Council A.'. and A.'. Scottish Rite, Dominion of Canada,

Illustrious Brethren:

I have the honor to submit this, my tenth annual report as Deputy for Ontario.

It is with real pleasure I am able to report that the Rite in every part of the Province is very much alive and making steady progress both in membership and influence.

During the year Moore Consistory added to its membership 291, making a total membership of 2191 on the 31st of August, 1923.

The^e Rose Croix Chapters increased their membership by the addition of 318.

The Lodges of Perfection added 691.

While these figures show a reasonable and natural growth, the more gratifying aspect is that the additions to the membership throughout the Province are made up of high class men in the various localities, men who will build on the foundation laid by our predecessors a structure that will grow in usefulness, alongside the growth of this young and energetic country.

Every Valley in the Province is holding regular meetings, admitting Candidates in both Chapter and Lodge, and in every respect carrying on the work of the Rite.

Early in the spring I visited Kingston, accompanied by Ill.'. Bro.'. W. H. Ballard, 33°. We were royally received and entertained and witnessed the conferring of the 14° and other degrees in a most impressive manner upon a class of thirteen.

On May 7th the Supreme Council met in special session at Hamilton and consecrated and dedicated the new Scottish Rite Cathedral with solemn ceremonies.

I am sure I but voice the opinion of the majority of Supreme Council when I say that the building thus set apart for the use of the Scottish Rite is in its proportions, the appropriateness of its plan, its furnishings and general equipment, is not only the largest and most complete in the Dominion of Canada, but will compare very favorably with any other Scottish Rite building on the Continent.

The auditorium is well proportioned, with lofty, beautiful panelled ceiling. The color of its curtains, carpet and chairs are a blend of Mulberry and Taupe, the whole having a handsome comfortable and dignified appearance. Its seating capacity is about seven hundred, leaving ample floor space for work, in addition to a stage of twenty-five feet deep by thirty-five feet wide, having about sixty drop curtains. The dressing rooms are large, well lighted and airy, fitted with the latest style cabinets and shelves.

The Memorial Hall is a dignified panelled and tiled hall, running from one side of the building to the other, where stained glass windows and statues will be erected to perpetuate the memory of the prominent members of the Rite.

The Organ Loft contains one of the finest Organs in the city, the generous gift of Illustrious Inspector-General Col. James Robert Moodie.

The Banquet Hall and kitchens are large and perfectly ventilated.

A beautifully panelled and decorated Reception Room makes a suitable place to receive distinguished visitors.

Above the Reception Room is a Chapter Room that, with its high ceiling, gallery furnishings and decoration, is a real work of art. It has a seating capacity of about 150.

The whole property has a frontage of three streets, and in addition to the Cathedral has a very handsome residence that will be used as club rooms and offices.

The total cost of the property including land, buildings and furnishings will be nearly four hundred thousand dollars. The whole of this large amount I am informed has been paid for in cash, except a small mortgage on the original property.

The annual spring reunion immediately followed the dedication ceremony, when the majority of degrees from the fourth to the thirty-second were exemplified.

A special feature of the reunion was the visit of about one hundred and fifty members of Buffalo, N. Y. Consistory, accompanied by their Uniformed Band and Drill Corps.

The Buffalo Brethren exemplified the 24° Degree. As you know, this Degree pictures the dedication and consecration of King Solomon's Temple to the worship of God, and for that reason was most appropriate to the occasion. The Degree itself was exemplified in such a solemn and dignified manner as to imbue every one present with the great work and mission to humanity and the world, to which service this Cathedral had just been consecrated.

On Thursday, Sept. 20th, I paid an official visit to the Valley of Niagara Falls, accompanied by sixty members of Murton Lodge of Perfection, and instituted there a Lodge of Perfection to be known as Elgin Lodge of Perfection; I delivered to them the Dispensation granted by the Sovereign Grand Commander, and installed their officers. The Officers of Murton Lodge conferred the fourth and fifth degrees on a class of sixty-nine members.

Under the able leadership of Inspector General H. W. Hobson, and Ill. Bro. W. H. Arison 32°, I have no doubt that Niagara Falls Valley will soon be numbered among our most progressive Valleys.

One of the most enjoyable meetings I had the pleasure of attending during the year was a Dinner Dance and Reception given by the Toronto Bodies in January. There were about five hundred members and their lady friends present at this meeting. I wish to congratulate the Toronto Brethren on having arranged such an enjoyable evening for their lady friends, and am sure if all the Bodies would follow their example it would be productive of great good.

I am just in receipt of a notice of a regular meeting of Toronto Chapter of Rose Croix to be held on the 18th of this month. This notice contains a long list of petitions for membership. The feature that appeals to me particularly is that these petitions are in very few cases recommended by the same men, showing that the membership in general are interested in the welfare of Toronto Chapter. There are a number of applicants on the list that I hope to have the pleasure of meeting in the Consistory some time in the near future.

Barrie continues its wonderful progress, having added 136 members to the Lodge of Perfection during the year, making a total membership at the present time of 833. Hampton E. Jory, 33°, is certainly a live secretary.

Fort William being so much nearer Winnipeg than Hamilton it is a real hardship to ask the members of Nanna Bijou Chapter to go to Hamilton for the Consistory Degrees. As a matter of fact, very few, if any, have ever done so. The result being that the Lodge of Perfection and Chapter in Fort William are suffering on this account, and I suggest that Supreme Council take this question into its consideration.

Peterboro: A dispensation has been granted by the Sovereign Grand Commander for the institution of a Lodge of Perfection at Peterboro.

I recommend that the dispensations granted to Niagara Falls and Peterboro be continued for another year.

Fraternally submitted,

F. J. HOWELL, 33°

Deputy for Ontario.

PROVINCE OF QUEBEC

To the Supreme Council A.'. and A.'. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

Again it is my great pleasure, as well as duty to report to Supreme Council concerning the affairs of the Rite in the Province of Quebec, and it is very gratifying that I am able to testify to encouraging progress, harmony, and a real sense of responsibility and brotherhood. May I especially mention the sustained interest and earnest participation in the work of all the members of Supreme Council in the Province, both Active and Honorary, all of them very busy men in business and social life, and yet constant in their attendance and ever ready to undertake any part of the work. Their example is an inspiration to the younger members.

Our family life, for in Quebec the Rite is a big loving family, has been very active during the past year, and I am happy to say that the prospects of the near future are full of promise.

In Montreal, the Rite as well as the whole work of the Craft has for some years been somewhat handicapped from want of sufficient and proper accommodation. After serious consideration it has been decided to attempt now the question of the erection of a new Masonic Temple worthy of the Craft and with proper provision for the varied needs. In this work the members of our Rite are taking a full share.

Our membership is as follows. Hochelaga Grand Lodge of Perfection, 299, with a fairly large class already started. Hochelaga Rose Croix Chapter 269, and Montreal Consistory 267. The Consistory has lost by death three members, all of them outstanding in public life: Ill.'. Brothers Major General Sir John W. Carson 32°, Phillip D. Gordon 32°, Mason of international reputation, and Richard Booth 32°, a brother greatly beloved by all the Craft in the Province.

The work of the Rite in the City of Quebec, under the fatherly eye of Ill.'. Bro.'. E. T. D. Chambers 33° is progressing in a quiet and earnest manner, the membership, though small, is nevertheless exerting a real influence for good in the district.

The Bodies in Quebec, and I as Deputy, are under an obligation to Ill.^W. Bro.^W. O. E. Stanton 33° for assistance in the work, as usual, so very willingly done.

The returns of the several Bodies in the Province with the required fees, have been duly forwarded to the Secretary-General, in accordance with the Statutes.

Fraternally submitted,

FRANK CHARTERS 33°

Deputy for Quebec.

Montreal, October 22nd, 1923.

PROVINCE OF NEW BRUNSWICK

To the Supreme Council, Ancient and Accepted Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

It is with pleasure I am able to report all is Peace and Harmony in the Valley of St. John.

The several bodies of the Rite are functioning smoothly and while the annual reports do not show a very large increase in membership, much may be said for the quality and enthusiasm of the new members.

The Lodge of Perfection shows a net increase of 8 members, the Rose Croix Chapter of 4 and the Consistory of 8.

The degrees are being conferred by a competent staff of officers and a deep interest is being taken by all the members.

The illness of Ill.^W. Bro.^W. Jno. A. Morrison 33° Commander in Chief of New Brunswick Consistory, has handicapped the work of this body to some extent, but I trust that this will be remedied during the coming winter months.

Death has entered our ranks during the past year and removed from among us some of our oldest members, notably Ill.^o. Bro.^o. William H. Thorne 33^o, who was identified with the Rite in our Valley since its inception. Bro.^o. Thorne was an outstanding figure in our City and Province and his loss is greatly lamented.

"We mourn their loss, but rejoice that the memory of their many virtues will always remain with us."

I have attended all the meetings possible and during the year the 30th, 31st and 32nd degrees in shorter time than the constitutional period on brethren living at a distance of four hundred miles from our Sanctuary, and at the Reunion held in the apartments of the Rite on November 22nd and 23rd last these brethren received their degrees.

The finances of the Rite in this Valley are in good shape and the future looks unusually bright.

Fraternally submitted,

THOMAS WALKER M.D, 33^o

Deputy for New Brunswick.

Valley of St. John, N. B., Oct. 15th, 1923

PROVINCE OF NOVA SCOTIA

To The Supreme Council A.^o. and A.^o. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

It gives me great pleasure to be able to report continued and satisfactory growth in the Affairs of the Rite in the Valley of Halifax.

The net gain in the Lodge is 10; in the Chapter, 14; and in the Consistory, 3.

Regular meetings have been held of all three bodies, and the attendance is so large that the apartments are entirely outgrown,

and an effort is now being made to secure more ample accommodation.

The work is being done in a splendid manner, largely due to the untiring efforts and interest of Ill.'. Bro.'. R. V. Harris, and I am satisfied that it compares favorably with that done in any other valley.

The care taken in the selection of material is responsible for the high standard and the great power for good which the Rite enjoys in this valley.

The returns of the several bodies, with the required fees, have all been duly forwarded to the Secretary-General.

Fraternally submitted,

J. H. WINFIELD 33°

Deputy for Nova Scotia.

Halifax, October 19, 1923.

PRINCE EDWARD ISLAND

To the Supreme Council A.'. and A.'. Scottish Rite for the
Dominion of Canada.

Illustrious Brethren:

It is with great regret that I am unable to report any substantial improvement in the condition of the various bodies of the Rite in Prince Edward Island during the past year.

The number of members on the roll of the Lodge is now 54, there being a decrease of five from last year. It is not an actual decrease, as during the past few years several members have died, whose names had not, until now, been taken off the roll.

Three meetings were held during the year, at which there was only a small attendance and no work was done. Unfortunately, the membership is scattered throughout the Island, only a few being resident in Charlottetown, and consequently it is difficult to get a substantial attendance.

However, from the visits which I have made to the Brethren, and the conversations which I have had with them, I am led to believe that during the coming year a much greater active interest will be taken, and some substantial results shown.

With respect to the Chapter: The membership has been reduced from 34 to 29, by one withdrawal and four deaths; the latter should have been previously reported.

Owing to the Edict of the Sovereign Grand Commander of last year, the Charter of the Consistory has been withdrawn, and no work was attempted in the Chapter, and I am satisfied, after a full investigation of the matter, that, for the present it is too great a task for the Brethren in the Valley of Charlottetown to keep up anything more than a satisfactory Lodge of Perfection. If their activities are confined to this alone, I am led to believe that in the course of time a fairly strong body can be obtained.

I am informed that the various returns and fees have been forwarded to the Secretary-General.

Fraternally submitted,

J. H. WINFIELD 33°.

Special Deputy for Prince Edward Island

Halifax, October 19, 1923.

PROVINCE OF MANITOBA

To the Supreme Council A.° and A.° Scottish Rite for the
Dominion of Canada.

Illustrious Brethren:

I have the honor to submit herewith my report on the condition and activities of the Scottish Rite Bodies in the Province of Manitoba.

As you are aware, ours is as yet a small jurisdiction, there being only a Lodge of Perfection, Chapter, and Consistory in Winnipeg, and a Lodge of Perfection in Brandon. But what we lack in numbers I feel justified in saying, as one in constant touch with the membership, that we endeavor to make up for in zeal, enthusiasm, and love for the work.

During the past year there has been added to the membership of Winnipeg Lodge of Perfection, Chapter and Consistory, by Initiation and affiliation, 33, 30, and 45 respectively. From these figures must be deducted, for deaths and dimitted members, 16 from the Lodge, 8 from the Chapter, and 9 from the Consistory, leaving our net increase at 17, 22 and 36 respectively. The membership as at August 31st, 1923, was 740 in the Lodge, 563 in the Chapter, and 443 in the Consistory.

There are on hand at the present time to be dealt with, 27 applications for the Lodge, 6 for the Chapter, and 13 for the Consistory.

Brandon Lodge of Perfection have added to their membership during the year, 19 by initiation, 5 by affiliation, and 3 Honorary members; a net increase of 27, bringing their membership during the twenty-one months since their inauguration, to 67.

I have made two official visits to this Lodge during the year, the first occasion, the 15th of February, when I installed their officers; and again on the 7th of June, when I witnessed the conferring of the 14th Degree in full ceremonial form on a number of candidates, the work being done by their own officers in a most praiseworthy manner, in fact, fully up to the standard set by our Canadian Lodges as far as I have been able to make comparisons. I have no hesitation in assuring you that no mistake was made by Supreme Council in granting a Charter to Brandon Lodge of Perfection.

I made official visits to Winnipeg Lodge of Perfection, and Bethesda Chapter, Winnipeg, and installed their officers. Holding my own membership in these bodies, as also in the Consistory, I am in attendance at almost every meeting and find very little to criticise in either the conduct of Lodge business or in the impressiveness and accuracy of the Degree work. As a member of the Character Committee for many years I have first hand information as to the exceedingly careful way in which all applications are dealt with, and the result is that membership in the bodies of our Rite is looked on as an honor and privilege.

The financial position of all our bodies in this valley is in every way satisfactory.

I have been advised that the regular report forms covering the three bodies in Winnipeg have been completed and sent forward to the Secretary-General by Ill.^o. Bro.^o. W. M. Gordon 33^o, our Secretary; as also the Report of Brandon Lodge of Perfection, by Sov.^o. Pr.^o. D. H. Taylor, (Secretary).

Fraternally submitted,

JABEZ MILLER 33^o

Deputy for Manitoba.

PROVINCE OF BRITISH COLUMBIA

To the Supreme Council A.^o. and A.^o.. Scottish Rite for the
Dominion of Canada.

Illustrious Brethren:

It is again my very great privilege to submit my annual report on the condition of the Scottish Rite Bodies situated in the Valley of British Columbia for the year closing Aug. 31st, 1923.

The year has been a fairly successful one taken as a whole, but the Lodge of Perfection and the Rose Croix Chapter have experienced a dull season so far as additional candidates are concerned. The regular attendance and usual keen interest in the two bodies has not relaxed at all but applications for membership were scarce. This can be attributed mainly to the present financial stringency which when it passes, candidates will be again forthcoming. The consistory, however, has exhibited more activity and has experienced somewhat more successful results for the year.

The Lodge of Perfection conferred the 14^o on 16 candidates and accepted as affiliates 3 increasing the membership by 19. There were 4 withdrawals and 3 deaths which number (7) deducted from the roll leaves a total addition of 12 for the year, our net membership being 477. The Rose Croix Chapter added 11 to its membership by initiation with 2 withdrawals and 2 deaths deducted leaves only 7 as a total increase for the year and our net membership is now 362.

The Consistory conferred in full form the 32 degree on 24 Inspector Inquisitor Commanders who had been waiting for some months to receive this degree. It also communicated the degrees from 19th to 30th upon 23 aspirants and conferred in full form the 31st degree. It received and accepted two applications for affiliation, one from Tacoma, Wash. (Southern Jurisdiction of the U. S. A.) and one from Manitoba. This means 25 additional members but through the death of one member our increase is only 24, which gives a total net membership of 224.

An effort was made during the past year to form teams to put on several more of the Consistory degrees, particularly the 21st and 30th. Owing to the parsimonious action of some of the brethren who objected to the expense that would be entailed in fully outfitting these two degrees, the movement to create greater interest has been nipped in the bud. This may be only a temporary set-back for with the return of good times no doubt these pessimists will see the error of their ideas and change their view point, then we will see greater advances and keener interest.

There are a number of applications already in hand for the three bodies which indicate a revival of interest for the coming year and prospects are looking much brighter for a busy time in degree work.

During the year three of our esteemed brethren have been called to the great Supreme Council above. The Grim Reaper is ever busy amongst us and is thinning out our ranks in greater numbers each succeeding year.

"I often opine, with submissive devotion,

As friend after friend join the immortals on high,

That each is a tie, o'er eternity's ocean

That will give us glad greetings in God's by and by."

The Easter Ceremonies were as usual well attended, taxing our accommodation. The M. W. S. and his officers performed their duties on this occasion most acceptably and those attending the two ceremonies were delighted with the way all details were carried out. The visitors particularly who hailed from all quarters of the Globe were greatly impressed with our Canadian interpretation. The address delivered after the ceremony of relighting the Lights on Easter afternoon, was given by

Ill.'. Bro.'. Hon. H. H. Stevens, who made a special trip from Ottawa for the occasion. It was a great treat to hear him and the Sovereign Princes enjoyed every word of his splendid address. We hope to have another at some future date. Bro.'. Stevens certainly paid us quite an honour by making such a long journey which used up ten days of his busy life for this express purpose. The brethren appreciated the sacrifice of time as well as the meatty address.

On May 5th, Ill.'. Bro.'. E. Douglas 33°, Commander in Chief of British Columbia Consistory applied for Dispensation waiving the time limit for twenty-three Knights Kadosh, of 30th degree brethren, who desired to be advanced to the degree of Inspector Inquisitor Commander or the 31st degree. Deeming this petition meritorious, I consented to the request and issued my dispensation accordingly. The names of these brethren were given on the usual form which has been forwarded to our Secretary-General. With this class we advanced Bro.'. J. McD. Grosart of Montreal Consistory, and Bro.'. L. H. Dwinnell of of Manitoba Consistory, at the request of these two Consistories. I trust my action will meet with your approval.

Our secretary Ill.'. Bro.'. Wm. Burns 33° has forwarded the usual reports affecting the three bodies which will exhibit the progress made during the year. All fees for the three Vancouver Bodies have also been remitted in full, peace and harmony prevailing throughout the valleys.

Victoria Lodge of Perfection

On June 12th, 1923, I paid an official visit to the Victoria Lodge of Perfection. I was met at the dock by a committee of officers and accompanied by Ill.'. Bros.'. J. E. Millar, 33° and R. E. Brett, 33° to the Lodge rooms, was introduced by them and received in full regulation form by its officers and members.

I had the pleasure of witnessing the conferring upon three aspirants the 14th degree. The T.'. P.'. G.'. M.'. Ill.'. Bro.'. Baird 32° with his officers performed the work in a very creditable manner, in fact all that one could desire. During the year they have added by initiation 26 aspirants and by affiliation 7, or a total of 33, but through the death of one brother, who re-

ceived his 4th degree and before obtaining the balance of the Perfection degrees passed away to the great beyond, their actual gain is 32 or a net membership of 125. This Lodge is progressing and doing good work in its jurisdiction.

The books of this Lodge as kept by their esteemed Secretary, Bro.'. F. F. Fatt, 14°, are a credit to this Brother's ability, and the Lodge in particular; it is a question if you will ever find a better kept set. The regular reports and remittance in full due from the Lodge, have been forwarded by Bro.'. Fatt.

Victoria Chapter

On August 29th, 1923, I visited Victoria, B. C., for the purpose of instituting a Rose Croix Chapter, a dispensation for the establishing of this chapter having been granted by our Sovereign Grand Commander. I was accompanied by Ill.'. Bro.'. E. Douglas 33°, Ill.'. Bro.'. J. E. Millar, 33° Ill.'. Bro.'. R. E. Brett 33°, Ill.'. Bro.'. Hon. W. J. Bowser, 32°, Ill.'. Bro.'. Hon. R. F. Green, 32°, and Ill.'. Bro.'. A. C. Giles 32°, who assisted me in instituting and giving the charges to the different officers selected by the Sovereign Princes for the ensuing U.'. D.'. period. This Chapter now being launched with capable, experienced and enthusiastic brethren at its head, I see no reason why it should not develop into a very active and prosperous Chapter and eventually become a good feeder for our B. C. Consistory.

Fraternally submitted,

J. R. SEYMOUR 33°

Deputy for British Columbia.

Vancouver, B. C., Oct. 6th, 1923

PROVINCE OF ALBERTA

To the Supreme Council, A.'. and A.'. Scottish Rite, for the Dominion of Canada.

Illustrious Brethren:

In March last I went to Calgary on the invitation of the Brethren and instituted the Delta Chapter of Rose Croix at Calgary, which started out with a membership of 43, of which a goodly number were present.

I recommended that dispensation be continued another year.

Calgary Lodge of Perfection is in good shape, as their returns show. At the Annual Re-Union I was, unfortunately, unable to be present.

Edmonton Lodge of Perfection is in a flourishing condition, well officered, and attendance at each meeting remarkably good. I can also say the same for Mizpah Chapter Rose Croix at Edmonton.

Alberta Consistory has been rather unfortunate for the past two months by losing two of its Officers—one by removal, one by death, the third officer, unfortunately, being away from the City through business. However, we anticipate that this condition will be remedied after our Tri-Annual Election in November. By death we have lost Dr. H. L. McInnis, C. E. MacDonald, B. Pennock. Bros. McInnis and MacDonald were very prominent in the work of the Consistory and will be very much missed in the team work. All these Brothers are a distinct loss, being in very truth men and Masons.

Finances of all bodies in Alberta are in good condition, and showing good surplus. We still adhere in this Province to the policy of growing slowly, but with good material. We are again considering our custom of holding once a month get-together lunches, which has added materially to the social life of these bodies.

Fraternally submitted,

E. A. BRAITHWAITE 33°

Deputy for Alberta.

10014, 103rd Street, Edmonton. October 10, 1923.

PROVINCE OF SASKATCHEWAN

To the Supreme Council A.° and A.°. Scottish Rite for the
Dominion of Canada:

Illustrious Brethren:

I have the honor of again submitting a brief report for the Province of Saskatchewan.

At present writing we have three Lodges of Perfection in the Province.

The degree work is well done in the different valleys.

The prospects are favorable. There is a good deal of interest displayed generally.

Perfection and Rose Croix are established in the City of Regina, as well as the Consistory. All of the Lodges in the West, namely; Regina, Saskatoon and Moose Jaw, are well officered, well qualified and energetic. We predict a pleasant and profitable time during the ensuing year.

The books of the several bodies are well kept.

Harmony prevails and the credit due the officers and members we freely give.

We are resuming our labors with renewed energy of purpose and express to you, Illustrious Dear Sirs and Brothers,

Fraternal obedience,

ALEX SHEPPHARD 33°

Deputy for Saskatchewan.

The Executive Session was closed at 5.50 o'clock p.m.

Thursday, October 25th

The Supreme Council resumed labor in Executive Session at 10.30 a.m.

Illustrious Brothers Robert William Clewlo and Walter Norris Duff, having been duly nominated, on the first day of the session, their names were submitted for election to the Rank of Sovereign Grand Inspector-General.

The roll was accordingly called and the vote in their favor having been found to be unanimous they were declared duly elected.

It was moved by Ill. Bro. McDougall, seconded by Ill. Bro. Mackay and unanimously resolved that inasmuch as there is no active member of Supreme Council in the Province of New Brunswick, Ill. Bro. Edward Harper Cairns 33° be and is hereby commissioned and appointed Special Deputy for the Province of New Brunswick until the next annual session of Supreme Council, with the power and duties prescribed by Section 30 of the Statutes and Regulations.

The Executive Session was closed at 10.45 and the Supreme Council called on in General Session.

The Special Committee on the address of the Sovereign Grand Commander presented the following report:

To the Supreme Council A. and A. Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

The Special Committee to whom was referred the address of the Sovereign Grand Commander, beg to submit the following report:

We take this opportunity of expressing to our distinguished and beloved Brother our keen appreciation of the valuable services which he has rendered to the Rite in Canada while presiding over its destinies during the past year. He is to be congratulated on performing all duties pertaining to his office not only with credit to himself but to the entire satisfaction of the Supreme Council. We view with satisfaction the record of continuous growth in our membership and that with one single exception there has been satisfactory progress in all matters pertaining to the welfare and prosperity of the Rite in this jurisdiction.

It is with extreme pleasure we note the important service rendered by the Grand Commander in conducting the impressive Dedicatory Services of the new Scottish Rite Temple in the City of Hamilton, in the presence of so many distinguished brethren, and that Ill.^o Bro.^o Buchanan 33^o of Pittsburgh, Pa., contributed to the success of the function.

We unhesitatingly approve of the action of the Grand Commander in granting dispensations for the extension of the activities of the Rite in Calgary, Brandon, Peterborough and Niagara Falls and in authorizing warrants for the issue of Charters for Moose Jaw Lodge of Perfection and for the Constitution of the Consistory of Saskatchewan. The reference by the Grand Commander to our late Illustrious Brethren, the Honorable William Henry Thorne 33^o of St. John, N. B., Roderick McNeill 33^o of Charlottetown, P. E. I. and George Samuel May 33^o of Ottawa is received by us with heartfelt sympathetic concurrence and we join with our Grand Commander in expressing sympathy with other jurisdictions in the losses sustained by them.

While congratulating ourselves on our onward steady progress and on the satisfactory growth of our resources during the year, we are led to hope that the valuable conservative advice and timely warning of our Grand Commander as to the administration of our resources will leave a lasting impression on every member of the Supreme Council.

We express entire satisfaction with the manner in which the Sovereign Grand Commander distributed the Grant made by us in aid of those who suffered by the terrible forest fires in Haileybury vicinity.

It is with regret we learn that no practical change has occurred in the condition of the Rite in Prince Edward Island. We endorse the recommendation that the edict of suspension of the Charter of the Rose Croix Chapter be continued for another year, with the sincere hope that the brethren of the Island will awake to a sense of duty.

We are in hearty accord with the stand taken by the Sovereign Grand Commander and by the Supreme Council for the Northern jurisdiction of the U. S. A. in their adherence to the approved rule of Free Masonry which forbids discussion within tyled doors of creed, politics or other topics apt to excite personal animosities.

With reference to the deplorable condition of the affairs of the Rite in Italy, Roumania and other European Countries we concur in the opinion of the Grand Commander that at the present time the Supreme Council should refrain from taking action therein.

In conclusion we desire to congratulate our Illustrious Brother on the admirable report presented by him to the Supreme Council. While we regret his determination to surrender the sceptre of office we are consoled with the knowledge that his interest in the affairs of the Supreme Council will not abate and that his valuable counsel and assistance will be ever at its disposal. We tender him our affectionate regard and best wishes for health, hapiness and prosperity.

Fraternally submitted,

E. T. MALONE.

J. ALEX. CAMERON.

After some discussion of Ill. Bro. Winfield's notice of motion regarding change in date of holding annual sessions, on motion of Ill. Bro. Winfield, seconded by Ill. Bro. Miller, it was resolved that sec. 35 of the Statutes and regulations be amended to read as follows:

Sec. 35. The Supreme Council shall meet annually on the first Wednesday in October, Etc.

In order to make other dates in Statutes and Regulations conform to this change, on motion of Ill. Bro. Davis, seconded by Ill. Bro. Wait, it was resolved to strike out the word "August" in the third line of Section 18, Subsection (d) and substitute the word "June" to strike out the word "October" in second line of Section 30, Subsection (g) and substitute the word "September," to strike out the words "thirty-first of August" in third line of Section 66, Subsection (a), and in third line of Section 66, Subsection (e), and substitute in each instance the words, "thirtieth day of June."

Ill. Bro. Glanville's notice of motion was not pressed.

Ill. Bro. Webster, Chairman of the Special Committee on the Revision of the Rituals reported progress.

On motion of Ill. Bro. Webster, seconded by Ill. Bro. Howell it was resolved that the 12°, 13° 20° and 31° as approved and revised by the Ritual Committee be received and adopted by this Supreme Council.

On motion of Ill. Bro. Cameron, seconded by Ill. Bro. Glanville, it was resolved that the Resolutions numbered from 1 to 8 inclusive adopted by the Third (1922) International Conference of Supreme Councils at Lausanne, as set forth in the English version thereof on pages 29 to 31 of the Printed Proceedings of the last Annual Session of the Supreme Council for the Dominion of Canada, be and are hereby ratified and adopted by this Supreme Council, with the exception of the final sentence of Resolution No. 4 reading as follows:

“And hereafter no Body shall be considered a Supreme Council in any country unless it shall have obtained recognition and established fraternal relations with every existing regular Supreme Council within a period of four years from the date of its organization.”

The Committee on doings of Inspectors-General and Special Deputies presented the following report:

To the Supreme Council A.° and A.° Scottish Rite for the Dominion of Canada.

Illustrious Brethren:

Your Committee on the reports of the Ill.° Deputies for the different Provinces are pleased, as last year to find distinct progress and success in every case, with one exception.

In the case of Prince Edward Island, the difficulties referred to in the last year's report, largely continue, and the Committee are of opinion that the recommendation of the Special Deputy for Prince Edward Island as to the activities there being confined to a Lodge of Perfection is the proper course.

As a consequence of the withdrawal of the Charter of the Consistory at Charlottetown, Prince Edward Island, the question arises as to where the brethren of that Province desirous of receiving the Consistory degrees should apply for the same. Inasmuch as the Illustrious Deputy for Nova Scotia is also, by appointment of Supreme Council, the Special Deputy for Prince Edward Island, your Committee recommend that notice be given of an amendment to the Statutes and Regulations uniting those two Provinces for jurisdictional purposes and that until the adoption of such an amendment the advancement of Candidates for the Consistory degrees be dealt with under the prerogative of the Sovereign Grand Commander as enacted in Section 68 (b) of the Statutes and Regulations, pending the adoption of the said amendment and so long as the Charter of the Rose Croix at Charlottetown remains suspended, your committee further recommend that the same procedure apply in cases of brethren in Prince Edward Island desirous of receiving the Chapter degrees.

The report of the Deputy for Ontario is one of the most interesting submitted, at any rate in recent years, recording the opening of the magnificent new Scottish Rite Cathedral in Hamilton, and the splendid progress made by the Rite in the Province of Ontario.

Your committee note the suggestion of the Ill.^o. Deputy for Ontario that the Valley of Fort William in that Province, be attached to the jurisdiction of the Province of Manitoba in view of the fact that Fort William is so very much nearer to Winnipeg than to Hamilton an amendment to the Statutes and Regulations would be necessary to give effect to this recommendation and as no statutory notice has been given, action cannot be taken thereon at this session of Supreme Council.

The Committee concur, if that be necessary, in the suggestion of the Ill.^o. Deputy for Ontario that the dispensations granted in Niagara Falls and Peterboro be continued for another year.

The Committee are gratified to see that the Report from Manitoba records the success of the new Lodge of Perfection at Brandon.

The Committee are pleased to notice from the Report of the Ill.^o. Deputy for British Columbia that the Rose Croix Chapter recently instituted in Victoria seems likely to make substantial progress and justify the granting of the dispensation for its establishment.

There is no recommendation in this report as to continuation of that dispensation, but if it be necessary the Committee recommend that it be continued.

The Committee also recommend that dispensation of Delta Chapter, of Calgary be continued.

All the other reports call for favorable comment and show that the prospects of the Rite in these districts are satisfactory.

All of which is respectfully submitted,

ALFRED F. WEBSTER.

A. C. McMASTER.

A. F. C. ROSS.

This report, on motion of Ill.'. Bro.'. McMaster, seconded by Ill.'. Bro.'. Ross, was received and adopted.

The Supreme Council was called off in General Session and the

Third Executive Session

was opened at 12.45 o'clock.

Ill.'. Bro.'. Robert William Clewlo of Toronto and Walter Norris Duff of Barrie, were introduced and crowned Sovereign Grand Inspectors-General and Active Members of the Supreme Council.

The Supreme Council was called off in Executive Session at 1.10 o'clock.

The Supreme Council resumed labour in Executive Session at 2.35 o'clock.

On motion of Ill.'. Bro.'. Seymour, seconded by Ill.'. Bro.'. Braithwaite it was resolved to hold the next Annual Session in Vancouver, British Columbia.

Invitations to make visits on the way were received from Ill.'. Bro.'. Miller, Manitoba; Ill.'. Bro.'. Shepphard, Saskatchewan, and Ill.'. Bro.'. Braithwaite, Alberta.

M.'. P.'. Sovereign Grand Commander, Sir John Gibson requested to be relieved from the office, as he had consented to fill the breach for only one year.

In accordance with this request an election was then proceeded with and Ill.'. Bro.'. John Alexander Cameron was declared duly elected M.'. P.'. Sovereign Grand Commander for two years.

On motion of Ill.°. Bro.°. Mackay, seconded by Ill.°. Bro.°. Moore, it was resolved that in the absence of the Secretary General, Ill.°. Bro.°. Walter Hammill Davis, duly appointed Acting Secretary General, be and is hereby authorized to act instead of Secretary General with the other authorized officers (a) in signing checks for the withdrawal of moneys from the Bank account of Supreme Council and to endorse checks for deposit to the credit of said account and (b) in signing and executing assignments of and for such further instruments relative to registered Dominion of Canada Victory or War Bonds belonging to Supreme Council for the purpose of sale thereof or for exchanging the same for bearer bonds with coupons attached.

The Executive Session was closed at 3.35 o'clock, and the Supreme Council called on in General Session.

Ill.°. Bro.°. Sir John Gibson then installed M.°. P.°. Sovereign Grand Commander J. Alex Cameron.

Ill.°. Bro.°. Shepphard reported that the Charter of Regina Lodge of Perfection had been lost. On motion of Ill.°. Bro.°. Charters, seconded by Ill.°. Bro.°. Winfield, it was resolved that the Secretary General issue without charge, a new Charter for the Lodge.

On motion of Ill.°. Bro.°. Charters, seconded by Ill.°. Bro.°. Seymour, the thanks of the Supreme Council were tendered to the Officers and Brethren of the Rite in the Valley of Toronto for their courtesies and hospitality bestowed on the members of the Council during the Session.

The Sovereign Grand Commander then appointed the Standing Committees as follows:

On the Inspection of the Securities of the Supreme Council:—

“ “ L. F. Riggs.
“ “ John McKnight.

The box of fraternal assistance was then passed and the collection donated to the bodies of the Rite in Toronto.

The labours of Supreme Council being ended, the Chain-of-Union was formed, and the Council was then closed at 4 o'clock p.m. to assemble again in the City of Vancouver, in the Province of British Columbia on the first Wednesday in October, 1924 at 10 o'clock a.m.

ILLUSTRIOUS BROTHER

Roderick MacNeill, 33^o

ACTIVE MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B.'. B.'. and under the C.'. C.'. of that Zenith, which answers unto 45° 31' North Latitude, and 73° 20' West Longitude of the Meridian of Greenwich.

To all Freemasons of the Ancient and Accepted Scottish Rite of the obedience of this Supreme Council:

Illustrious Brethren:

I regret very much to have to announce the death of Illustrious Brother Roderick MacNeill 33°, which took place on the 17th of October last.

Bro. MacNeill was born on 20th February at Whycocomah, Cape Breton, where he spent his boyhood days.

He received his education in the semi-public schools and at the Free Church Academy at Halifax; he then took up the work of school teaching, attended the Normal School at Truro and continued in this work until 1865, when he went to New York City and entered the Bellevue Hospital Medical College. Subsequently he became a student of medicine in the University of Pennsylvania and received his Doctor's degree in due course.

Dr. MacNeill practised his profession at Stanley Bridge, Prince Edward Island until the year 1900, when he removed to Charlottetown to continue his work. He took an active part in public affairs; served as coroner, health officer, Justice of the Peace, Commissioner for taking affidavits in the Supreme Court and for taking acknowledgements of deeds and as President of the Liberal-Conservative party for the Province of Prince Edward Island.

Bro. MacNeill entered Freemasonry in July 1863, was W.'. M.'. in 1885, Senior Grand Warden in 1887, Deputy Grand Master in 1892, and M.'. W.'. Grand Master in 1895.

He received the Royal Arch in November 1887 and was elected M.'. E.'. High Priest in 1891.

As a Knight Templar he received the orders November 1895 and became the first Presiding Preceptor of Prince Edward Preceptory. He was a member of the Cryptic Rite and the first Thrice Illustrious Master of Kensington Council.

Ill. Bro. MacNeill was most enthusiastic in his work in connection with the Scottish Rite. He received his degrees 4th to 32nd in the Bodies at Saint John in 1896, was admitted as an Honorary Inspector-General in Supreme Council in October 1897, and crowned an Active Member in October 1898.

It was largely due to his efforts and those of the late Dr. Darrach, that the Bodies of the Rite were established in Prince Edward Island and he was a charter member of each of them.

He was elected Deputy of the Supreme Council for his Province in October 1898, and held that office continuously till 1910, when failing health forced him to ask to be relieved.

Our Illustrious Brother was a man of high character, a Mason whose everyday life was guided by the principles of our Order and one who held his course true to the pole-star of loftiest duty.

We extend our sympathy to his bereaved ones in their dark hour of sorrow.

As a mark of respect to the memory of our departed brother, the usual badge of mourning will be worn for a period of sixty days from the reading of this letter.

Given under my hand and seal of the Supreme Council this 19th day of December, 1922.

J. M. GIBSON 33°

Sovereign Grand Commander

Attest:

W. H. BALLARD 33°.

Secretary-General, H. E.

ILLUSTRIOUS BROTHER

Hon. William Henry Thorne, 33^o

ACTIVE MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B.'. B.'. and under the C.'. C.'. of that Zenith, which answers unto 45° 31' North Latitude, and 73° 20' West Longitude of the Meridian of Greenwich.

To All Freemasons of the Ancient and Accepted Scottish Rite of the obedience of this Supreme Council:

Illustrious Brethren:

During the past year Supreme Council lost one of its oldest and most prominent members, when Ml.'. Bro.'. Hon. William Henry Thorne 33°, passed away on Tuesday, 8th July, 1923. He was for many years one of the most prominent business men of St. John, and one of the first, best known and most respected citizens. He was born in St. John on 1st September, 1844, his parents, both Canadians, being of Imperial Loyalist descent. Prominent as a hardware merchant, he was interested and took part in the control and management of many financial and manufacturing corporations.

Politically a strong and conspicuous Conservative, it may be said that his special qualities and likeable disposition made him almost equally popular with both political parties. He became a Dominion Senator in 1913, continuing a member of that branch of Parliament till his death.

He was President of the Board of Trade for Two years, served as a Lieutenant in Thirsgars Rifle Brigade, retiring therefrom with the rank of Captain. He was a member of numerous social clubs in St. John, Montreal and Ottawa.

He joined the Masonic order and became a member of Albion Lodge No. 1, on the 4th April, 1867, continuing in good standing till his death. It is not very clear when he first became a member of the Rite, but he probably received his degrees from the Supreme Council of England and Wales in 1868,

afterwards organizing a Chapter or Consistory under that parental jurisdiction. His record as a member of his Consistory is a long one and he was an office bearer during the greater part of this period of membership.

Honorary membership in Supreme Council was conferred on Bro. Thorne at a special meeting held in Saint John, in April, 1885, and he was crowned an Active member in October, 1892. He was Lieutenant Grand Commander of this Supreme Council from 1904 till 1912, when he resigned that position. It was expected that he would accept promotion to the Grand Commander's office, but he refused to entertain the suggestion, being unwilling, as I thought, to undertake any ritualistic responsibility. We all had an affectionate fraternal regard for him. His enjoyment of our meetings was evident and each and all of us look back upon our association and intimacy with him as always most pleasing and agreeable.

ILLUSTRIOUS BROTHER

George Samuel May, 33°

HONORARY MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

GEORGE SAMUEL MAY 33°

Illustrious Brother George Samuel May passed away 29th December, 1922.

He was a man of sterling character, amiable disposition and pleasing manner. He was the head of the firm of George May & Sons, Ottawa, and was a director in a number of Canadian companies. He was at one time President of the Federated Board of Trade. He served his city as Chairman of the Board of Education and one term in the Legislative Assembly of Ontario. He was initiated in Dalhousie Lodge of Ottawa in 1888, and passed through the chairs. He was a charter member of Ottawa Lodge of Perfection 1889 and of Murray Chapter of Rose Croix in 1891. He soon after attained the degrees 19 to 32 in Moore Consistory. He was a member of Carleton Chapter R. A. M. and was received into the Royal Order of Scotland in 1906. He was enrolled an Honorary member of the Supreme Council in 1913, and was a regular attendant at our sessions. He served as Secretary of Ottawa Lodge of Perfection and Registrar of Murray Chapter of Rose Croix for some years. Probably his chief service to Masonry was in Grand Lodge, where he was for some time Chairman of the Committee of Audit and Finance, a position in which his business ability made him a valued officer. He was interested in clean sports and his death came unexpectedly while with a number of friends with whom he was engaged in his favorite pastime, curling.

We have lost a genial companion, a good man and a true Mason.
